Books listed under the Celebrate Salvation® imprint are small group discipleship study guides.

Course 1 is designed for new and renewed believers but can also be profitably used by mature believers who are seeking enough clarity in their faith to disciple new believers. Each book is augmented with a number of handouts which are available as printable PDF files online at Celebrate Salvation® as well as in an optional book entitled Handouts and Worksheets for Course 1. The entire course is also available for purchase online in one 8½ x 11 ring-bound volume with all three study guides and their associated handouts and worksheets included.

Course 2 is a follow up study series designed for more established believers. The first study on revivals of faith is entitled "Awakening" and is already available with the remaining two guides due for publication later this year. Visit Celebrate Salvation® online for further information.
